Year 1 COMPUTING- Being Safe

We go online for lots of reasons including:

- watching TV shows
- playing games
- watching online videos
- talking to friends
- finding out things
- homework

The Internet can be loads of fun!

Some people use the Internet to bully others. This is called cyberbullying.

Ways to get online....

Stay Safe: Never give your name, address or passwords out to anyone online.

Accepting: If someone sends you a photo, or a file, ask an adult before you open it.

R

Reliable: Remember that you can't trust everyone who uses the Internet. Not everyone is kind.
