What does Design mean?

When you design, you make plans to make something with different materials that can be used for a particular purpose.

You may design....

When you design you think about....

MATERIALS

PRINTING makes a copy of something. You can repeat and make lots of things that look the same.

You can print with lots of different things!

Different ways to print...

Engraving: Using a sharp tool, artists carve a design into a flat piece of metal.

Woodcut: Artists carve their design into the wood using sharp tools.
