

At Moorings Way and Meon Infant we become readers by...

At Moorings Way and Meon Infant we believe that a high quality English curriculum should develop children's love of reading, writing and discussion. We aim to inspire children through a nurturing environment where children take pride in their writing, can write clearly and accurately and adapt their language and style for a range of contexts. We believe that children need to be inspired in order for them to be confident in their ability to plan, revise and evaluate their writing and become fluent at discussing their ideas to further their learning. We understand that a secure basis in literacy skills is crucial to a high quality education and will give our children the tools they need to participate fully as a member of society.
