

Year 1 Self Portraits and Picasso

ART

Pablo Picasso was born on 25th October 1881 in Malaga, Spain.

Picasso was an artist who created paintings, sculpture and sometimes poetry.

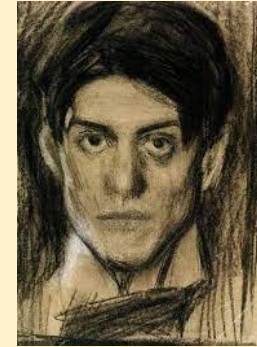

Pablo Picasso is well known for creating art of himself. This is called a self-portrait. Here is some of his artwork.

Realism, Cubism and Abstract ART

REALISM- the artist tries to make it as life like as possible. Like a photo.

CUBISM- the artist has used shapes to represent something. You can recognise what it is.

ABSTRACT- art doesn't always show something recognisable. It is often to show a feeling or an idea.
